The EASTERN AFRICA CONSORTIUM for CLINICAL RESEARCH (EACCR)

SECRETARAIT TEAM EACCR3

EACCR3 is part of the EDCTP2 programme supported by European Union under grant agreement CSA2020NoE-3102
History and Composition

EACCR1: 2009- 2015

EACCR2: 2017-2021

EACCR3: 2021-2024

To strengthen and sustain an existing long term and highly successful collaboration aiming to continue to build capacity among junior SSA researchers

EACCR3 is part of the EDCTP2 programme supported by European Union under grant agreement CSA2020NoE-3102
Leadership

Overall Project Coordinator
Prof Pontiano Kaleebu

Deputy overall Project Coordinator
Prof Blandina Mmbaga

Scientific Liaison Officer &
HIV WP Leader:
Dr Bernard Kikaire

Malaria WP Leader:
Dr Norbert Peshu

NID WP Leader:
Dr Erick Muok

TB WP Leader:
Prof Sayoki Mfinanga

Training WP Leader:
Prof Reginald Kavishe

Project Manager:
Mrs. Emily Nyanzi Kabuye

EACCR3 is part of the EDCTP2 programme supported by European Union under grant agreement CSA2020NoE-3102
EACCR3 is part of the EDCTP2 programme supported by European Union under grant agreement CSA2020NoE-3102
Work Packages

HIV – Uganda Virus Research Institute

Malaria - African Research Collaboration for Health Limited, Kenya - Kilifi

Training Node- Kilimanjaro Clinical Research Institute – Moshi

NID – Kenya Medical Research Institute-Kisumu

TB - National Institute for Medical Research Muhimbili

Coordination & Management- Uganda Virus Research Institute

EACCR3 is part of the EDCTP2 programme supported by European Union under grant agreement CSA2020NoE-3102
Clinical Research Monitoring

- Established the Reciprocal Monitoring Scheme (RMS) of 25 monitors
  - 11 trained in EACCR1
- 4 monitors Accredited
- > 30 clinical studies monitored in EACCR2
